www.citymobil2.eu

What is CityMobil2

- EC-funded consortium (FP7)
- Main objective: to demonstrate Automated Road Transport Systems at large scale in real life conditions
- 45 partners
 - 12 cities (+3); 5 Automated Transport systems' manufacturers
- 9.5 M€ EC funding
- 2012-2016

CityMobil2 demo sites

How many passengers have we carried and how many VKm have we travelled so far?

City	Pax	VKm
Oristano (Italy)	2580	1794
La Rochelle (France)	14 660	3778
Lausanne (Switzerland)	7 000	6970
Vantaa (Finland)	19 000	3962
Trikala (Greece)	12150	4230
Sophia-Antipolis (France)	3400	2924
San Sebastian (Spain) - so far	1920+	2360+
Total (so far)	60 710+	26 018+

THANKS FOR LISTENING
